Dated 9th/13 May/91

From The Deputy Commissioner

To The Chief Secretary to the
Government of Mysore
Bangalore.

Sir,

With reference to the Senior Surgeon's Circular letter to the Deputy Commissioners of Districts, No 513 dated 2d March 1891, printed and Circulated with Proceedings of Government No 1411/5-24/300 dated 18th idem, regarding the entertainment of trained Mid-wives throughout the Province, I have the honor to state that I heartily support the proposal made by the Senior Surgeon

and that for the present, as
a tentative measure, 4 Mid-
wives for the Taluks of this
District as grouped by him
and as noted in the Margin
might be entertained on such
salary as the Government
might be pleased to fix.

2. The Amildar of the
Hiriyur Taluk reports that
there is a suitable female at
Hiriyur, who knows how to read
and write Canarese and who
is willing to go to Madras to
be trained at the Lying-in
Hospital there for one year,
and I would recommend
that a scholar-ship of 10 Rupees
a month be granted to her
during her period of training.
There are no suitable females
in the other Taluks fit to be

sent to the Lying-in-Hospital for being trained there. I believe that suitable females possessing the qualifications mentioned in para 4 of the Senior Surgeon's Circular letter could be got at Bangalore or Mysore, and I would recommend that 3 such females be selected and sent to Madras for being trained at the Lying-in-Hospital, their services being made available for the Taluks of this district after their training is completed.

3 As regards the source from which the scholarships and the salaries of the midwives have to be met, I would suggest that, as in the case of the establishments

of the Taluk Dispensaries, one-third of the amount be charged to Municipal funds and two-thirds to District funds, as most of the Municipalities in the district are too poor to bear the whole charge themselves.

I have the honor to be
Sir.

Has the honor to state that by Proceedings of Government No 4446-8 dated 9/9/93, sanction L.F. 141-92 was accorded to the payment of scholarship to 4 pupil midwives to be trained for employment in this District. This was duly communicated to the Senior Surgeon. Under the impression that 4 pupils

pupils were under training, provision
was made in the District
Fund Budget of the
current year for the peay
of 8 midwives made up
of 4 already in service
and 4 expected to complete
their training and become
available for service.
Scholarship for one more
mid-wife was also provided
in the said budget so that
this District might from
next year have nine mid-
-wives in all at one for
each of the Talooks and
Sub-Talooks. But it was
subsequently ascertained
that only two were being
trained instead of 4.
Those two have recently
joined this District,
while one of the old midwives
has left it on resignation.
Under these circumstances
the Senior Surgeon has
desired that the sanction
of Government be obtained
for 3 more Scholarships
for

for pupil midwives.

2. As it is necessary that each Taluck and Sub-Taluck should have a separate midwife the undersigned requests the favour of sanction being accorded to the payment of Scholarship to 3 additional pupils as suggested by the Senior Surgeon. The amount of such scholarships from 1st December 1894 to the end of the current official year would amount to Rs 210. This may be met from the provision of Rs 810 & 200 respectively made under C. IV, a and c. The number of midwives now in service being only 5 instead of 8, there will be no difficulty in saving the said sum of Rs. 210 for payment by way of Scholarship
